

JOB ANNOUNCEMENT

The City of Norwich announces a closed promotional and an open examination to fill a vacancy and establish an eligibility list for the following classification:

52864 – ASSOCIATE UTILITY ENGINEER

Public Utilities Department

Open Until: April 20, 2022 at 04:30 PM EST

Rate of Pay: \$96,345.60 - \$117,249.60

General Description

This is an entry-level utility engineering position. Under direction of the assigned supervisor; develops studies, designs, specifications, and drawings, supervises subordinate technical positions for the planning and design of the gas, water, electric and sewer systems, and coordinates construction supervision activities for the City of Norwich Public Utilities and the Sewer Authority of the City of Norwich and does related work as required. This is a training position to fully qualify an individual as a Utility Project Engineer. Associate Engineers are limited to 48 months in the position to demonstrate the skills required of the Utility Project Engineer. If not recommended for promotion prior to the expiration of the time limit, the Associate will be assigned to another appropriate position, if available; otherwise will be laid off with full lay off benefits.

Qualifications

Graduation from a recognized college or university with a Bachelor of Science Degree in engineering, with at least six months of experience in planning, design, and construction of facilities. Must possess a valid State of Connecticut driver's license.

Important Information

In order to be considered, applicants must demonstrate on their application they meet the minimum qualifications as stated in the job announcement.

You must reside within the State of Connecticut, 60 miles from Norwich within one year of appointment.

The complete job description is available online.

Examination will consist of 100% written OR 100% oral OR 100% experience and training.
