

JOB ANNOUNCEMENT

The City of Norwich announces a closed promotional and an open examination to fill a vacancy and establish an eligibility list for the following classification:

51662 – UTILITY PROJECT ENGINEER

Public Utilities Department

Open Until: March 17, 2022 at 04:30 PM EST

Rate of Pay: \$108,784.00 - \$132,392.00

General Description

Under the direction of the assigned Manager, the Utility Project Engineer is responsible for defining, planning, managing, implementing and operationalizing natural gas, electric, water and sewer utility projects within established time frames and budgets, consistent with NPU's strategic plan, commitments to its customers and organizational goals. The Utility Project Engineer is also responsible for coordination of operations, maintenance and construction activities for all NPU assets and performs related work as required.

Qualifications

Graduation from an accredited college or university with a Bachelor of Science Degree (B.S.) in either mechanical engineering, plus courses in civil engineering, or in civil engineering, plus courses in mechanical engineering, or equivalent engineering degree. At least three (3) years of experience in water and wastewater engineering design and project management, or equivalent combination of education and related experience that provides the required knowledge skills, and abilities as applied to the planning, design, and construction of major utility infrastructure and facilities.

Important Information

In order to be considered, applicants must demonstrate on their application they meet the minimum qualifications as stated in the job announcement.

You must reside within the State of Connecticut, 60 miles from Norwich within one year of appointment.

The complete job description is available online.

Examination will consist of 100% written OR 100% oral OR 100% experience and training.

To apply visit our website at www.norwichct.org/hr.
