

# JOB ANNOUNCEMENT

The City of Norwich announces a closed promotional and an open examination to fill a vacancy and establish an eligibility list for the following classification:

---

## 52518 – CIVIL ENGINEER

Public Works Department

Open Until: April 7, 2022 at 04:30 PM EST

Rate of Pay: \$80,758.34 - \$87,780.98

---

### General Description

This is very responsible administrative and technical civil engineering work involving civil engineering project design and construction inspection. Work involves responsibility for designing Civil Engineering and Public Works projects, such as drainage, roads and sidewalks and the supervision of Design Engineering Consultants. Duties include construction inspection, survey work, the review of developer site plans and investigating complaints from the public. This position also has the responsibility for making difficult Civil Engineering technical decisions. The work requires that the employee have considerable knowledge, skill and ability in Civil Engineering design, and field work.

### Qualifications

A bachelor's degree from a recognized college or university in civil engineering plus two years of progressively responsible public works or construction engineering and design experience. Must have a valid Connecticut driver's license.

### Important Information

In order to be considered, applicants must demonstrate on their application they meet the minimum qualifications as stated in the job announcement.

You must reside within the State of Connecticut, 60 miles from Norwich within one year of appointment.

The complete job description is available online.

---

**Examination will consist of 100% written OR 100% oral OR 100% experience and training.**
