**7PM-9PM**

City of Groton Municipal Building  
295 Meridian Street  
Groton, CT

The Southeastern Connecticut Council of Governments (SCCOG) is conducting a study to identify and plan for future demands for housing and transportation across the region as a result of expanded activities at Electric Boat and SUBASE New London. Please join us to learn more about the study, hear the consultant team's findings and preliminary recommendations, and share your ideas!
