JOB ANNOUNCEMENT

The City of Norwich announces a closed promotional and an open examination to fill a vacancy and establish an eligibility list for the following classification:

39456 - TECHNICIAN

Public Utilities

Open Until: December 11, 2020 at 04:30 PM EST

Rate of Pay: $65,270.40 - $79,414.40

General Description

Under the direction of the GIS Manager or assigned supervisor, the Technician is responsible for identifying and locating NPU utility infrastructure by referencing records, GIS mapping and using mark-out industry detection equipment. The Technician also works with all operational field crews, engineering and GIS staff to generate and maintain records of projects and services. Efforts include drawing and document identification, electronic and hardcopy filing, assistance in field activities including GPS data collection, site inspection and customer visits.

Qualifications

An Associate Degree from a recognized college or university. OR A minimum of 3 years utility experience that demonstrates knowledge in above areas may be substituted for the educational requirements. Must possess and maintain a valid State of Connecticut Driver's license. Must obtain operator qualifications within 6 months of appointment and maintain qualifications in accordance with NPU Operator Qualification policies for covered tasks assigned to the position.

Important Information

In order to be considered, applicants must demonstrate on their application they meet the minimum qualifications as stated in the job announcement.

There is a City of Norwich residency requirement. You must reside within the State of Connecticut, 60 miles from Norwich within one year of appointment.

The complete job description is available online.

Examination will consist of 100% Written.
