

## **2026 LOTCIP News Release**

SECOG is pleased to announce the solicitation of the Local Transportation Capital Improvement Program (LOTCIP) for eligible transportation projects. This State program was established by the Connecticut Department of Transportation (CTDOT) to provide funds to municipal governments for transportation capital improvements projects. Eligible projects must have an estimated cost of at least \$300,000 and follow the criteria outlined in the solicitation.

A virtual Information Session has been scheduled to provide an overview of the program and answer any questions on October 8, 2025 at 3pm. The presentation and meeting recording will be posted on the SECOG website.
